

TROXY

WE'RE LONDON'S MOST
FLEXIBLE VENUE AND STILL
PROUDLY INDEPENDENT.

A STAR IN THE EAST

Troxy first opened its doors in 1933 and ever since then our beautiful art deco building has played host to some of the capital's most extraordinary events.

Our adaptable spaces have been used for major music awards, live concerts, audiences with celebrities, TV shows, live sporting events, exhibitions, awards ceremonies, Christmas parties, conferences and exclusive film screenings.

Our brilliant clients come to us not just for the unique vintage features but also our brave and flexible management team, who work tirelessly to make each occasion special.

KEEPING LONDON PARTYING

Troxy began life as England's largest cinema in 1933, with an incredible 3,500 seat capacity. Almost 90 years later, we're still giving the West End a run for their money.

Much of the East End around us was destroyed during World War II, but the building survived to live life as a performance space and a bingo hall. In 1991 it was granted Grade II Listed status and was reborn in 2006 as the vibrant event space it is today.

NO BETTER PLACE TO CELEBRATE

Our grand staircases welcome guests through the front door before they move through to the period interior with its illuminated art deco features, there's a natural gravitas in the DNA of our building that modern venues cannot match.

Troxy's spaces can also be configured in many ways. Anything is possible, from dinner-and-dance occasions to events where brand exposure is key.

Whatever your needs, there will always be a way to make your awards ceremony stand out.

OUR TEAM ARE RENOWNED FOR THEIR FLEXIBILITY; WHETHER IT BE PROVIDING AN UNUSUAL SOLUTION TO YOUR EVENT BRIEF, ENABLING YOU TO USE ALL THE IN-HOUSE PRODUCTION ELEMENTS IN THE BUILDING OR MAKING SURE YOU'VE GOT ALL THE TRAVEL AND HOTEL INFORMATION YOU WANT.

SILENT NIGHT? NOT WHEN WE DECK THE HALLS

When it's time to get the bells jingling, our high ceilings, grand staircases and vintage touches are perfect as a backdrop for a vintage gala or a themed evening. Whether you are staging an event from 300 to 1500 ask us about our inclusive packages

SO WHAT'S WITH THE GORILLA?

The first film shown at Troxy in 1933, was King Kong.

That's why you'll see the gorilla logo on our building and our beer and this brochure.

We still have a soft spot for Mr Kong, who like Troxy is large, impressive and fiercely independent.
