DINE

Mr White's English Chophouse offers a great selection of signature steaks and dishes all day long serving traditional dishes with glamorous surroundings. We cater for corporate bookings up to 80 people or more intimate private dining for up to 20 people. Mr White's is open every day and a great spot for business lunches and dinners. Enjoy a happy hour after work drink or a night cap in our bar. There is plenty of space for co-working with fresh Barista coffee

MEET

Our 2 meeting rooms offer you space for that all important board meeting or a cool venue for a brain storming session.

The Kitchen meeting space holds up to 8 delegates in a boardroom layout complimented by exposed brickwork and skylights to let in natural daylight. The Kitchen also comes with a stocked retro fridge offering fruit juice, cold drinks and snacks.

The Lounge offers a more informal meeting space, hence the name, accommodating up to 8 people.

Although both rooms can be hired individually, if you would prefer some additional space or need to have two meetings in one, The Lounge + The Kitchen is ideal. Both rooms together will cater for 12 people in a boardroom layout, up to 20 for an informal meeting or buffet, or 20 people for a theatre setup.
