

TROXY

WE'RE LONDON'S
MOST FLEXIBLE VENUE AND
STILL PROUDLY INDEPENDENT.

A STAR IN THE EAST

Troxy first opened its doors in 1933 and ever since then our beautiful Art Deco building has played host to some of the capital's most extraordinary events.

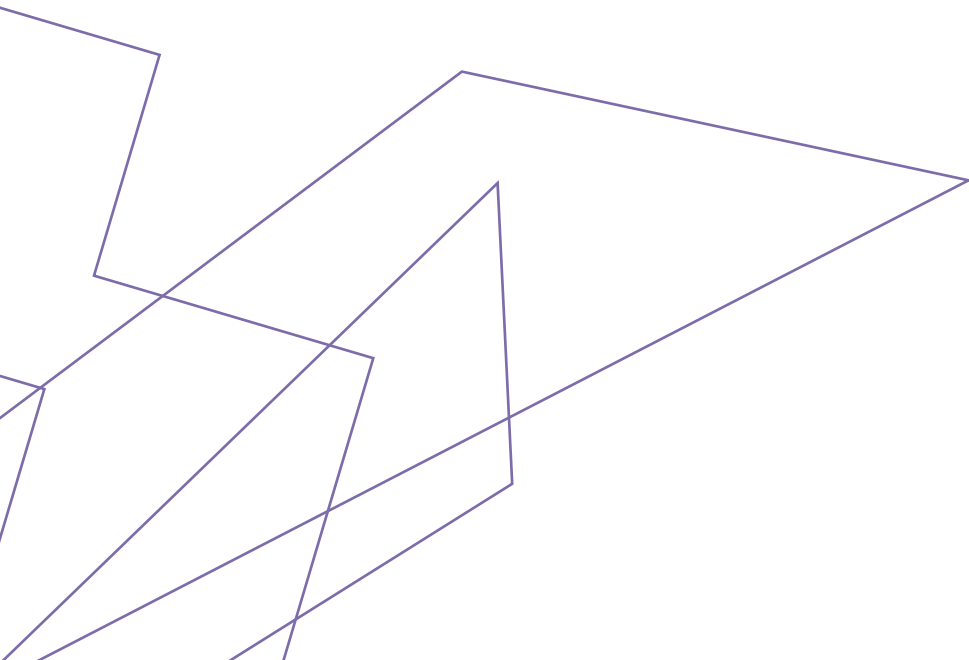

Our adaptable space has been used for awards ceremonies, Christmas parties, conferences, exclusive film screenings, live concerts, podcasts and talks, filming, live sporting events and exhibitions.

Our brilliant clients come to us not just for the unique vintage features and world-class AV but also our talented and flexible management team, who go the extra mile to make each occasion special.

'IT SEEMED LIKE HOLLYWOOD HAD
COME TO COMMERCIAL ROAD IN
ALL ITS GLORY. OUTSIDE WAS A
BLAZE OF LIGHTS, INSIDE A LARGE
FOYER WITH A LARGE SWEEPING
STAIRCASE, CHANDELIERS.'

Local resident, Ms Danvers, 1933

KEEPING LONDON PARTYING

Troxy began life as England's largest cinema in 1933, with an incredible 3,500 seat capacity. Over 90 years later, we're still giving the West End a run for their money.

Much of the East End around us was destroyed during World War II, but the building survived to live life as a performance space and a bingo hall. In 1991 it was granted Grade II Listed status and was reborn in 2006 as the vibrant event space it is today.

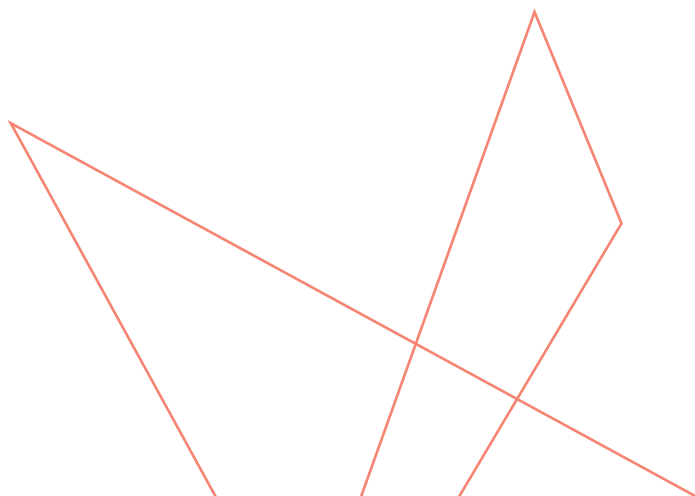

TROXY
EAST IS BEST

NO BETTER PLACE TO CELEBRATE

There's a feeling you get when you walk into Troxy. The sweep of the staircases, the Art Deco glow, the scale of it all. It hits you and sets the mood before a word's been said.

Our 1930s home has versatility built in and flexes to fit your brief, whilst retaining its soul. From black-tie dinners, brand launches and award nights to big bashes and low-key moments - we've done them all. The setup shifts but the impact remains.

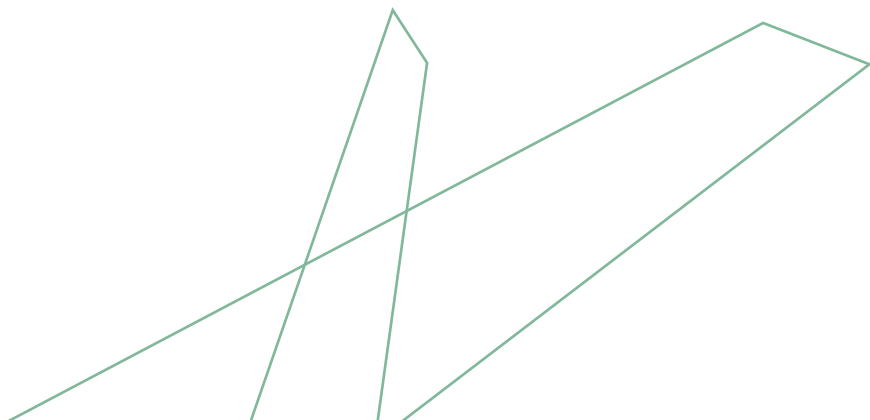

We get under the skin of every event, working with you to make sure it hits the mark. Whether it's an all-out spectacle or something more subtle, we'll help you make it stick.

'IT WAS GREAT WORKING WITH THE TROXY TEAM TO BRING THIS EVENT TO LIFE. WITH AN EXPERIENCED HEAD ON HER SHOULDERS, EMMA WAS DEDICATED TO MAKING THE EVENT A SUCCESS, MUCH LIKE WE WERE. AFTER AN INTENSE FEW MONTHS OF PLANNING EVERYTHING CAME TOGETHER JUST AS WE AND DOTDIGITAL IMAGINED. IT WAS AN EVENING FULL OF LAUGHS, GREAT FOOD, PLENTY OF DRINKS AND A GREAT SHOW FOR ALL THE ATTENDEES & AWARD WINNERS.'

Natasha Mason, Senior Project Manager, Principal. Global Events

WE'RE CLOSER THAN YOU THINK

Troxy, 490, Commercial Road,
London, E1 0HX

TROXY IS CLOSE TO THE CITY OF LONDON - ONLY A 5-MINUTE WALK TO LIMEHOUSE STATION AND FROM THERE, ONLY 2 STOPS TO BANK ON THE EVER-RELIABLE DLR. CANARY WHARF AND SHOREDITCH ARE ONLY 15-20 MINUTES AWAY AS WELL.

SO WHAT'S WITH THE GORILLA?

The first film shown at Troxy in 1933,
was King Kong.

That's why you'll see the gorilla logo on our
building and this brochure.

We still have a soft spot for Mr Kong,
who like Troxy is large, impressive
and fiercely independent.
